

November 16, 2021

To: All Contractors, Suppliers, Service Providers, Customers & Port Users
Subject: Protocols on the Use of Face Shields

Pursuant to the Memorandum from the Executive Secretary dated November 15, 2021, **please be advised that effective immediately**, the terminal will be adhering to the following requirements regarding the use of face shields when inside the terminal premises:

Medical / Quarantine Facility (e.g., MICT Clinic, any designated quarantine facility within the terminal)	Mandatory
Alert Level 5, ECQ and granular lockdowns	Mandatory
Alert Level 4	In accordance with the directive from PPA
Alert Levels 3, 2, 1	Non-mandatory / voluntary

Should you have further clarification on any of the above, please do not hesitate to reach out to our HSE Team through MICTHSETeam@ictsi.com

Thank you for your cooperation in ensuring everyone's safety and well-being.
