Official Manila International Container Terminal Partner Advisory

9/1/2022

ADVISORY NO. 2022-1841

Dear Valued Customers,

As Super Typhoon Henry (Hinnamnor) intensifies and with the already present strong winds being experienced, please be advised that quayside operations will be intermittent as part of our usual precautionary measures during these weather occurrences.

However, our yard and gates are still fully operational and are accepting all truck transactions as of now.

As always, please be assured that we are putting high priority on the safety of everyone at the terminal as well as your shipments.

For any changes to our operations, we shall advise you immediately.

Regards,

MICT Management
