ADVISORY NO. 2022-2016

Dear Valued Customers,

We are pleased to announce that the ICTSI ACTS e-ADR issuance via BDO is now available through their Over-The-Counter (OTC), Personal Online Banking (POB) and Business Online Banking (BOB) bills payment facility. With this, we will now be able to provide more flexibility and options for you to use in your ADR requirements.

Customers who are BDO account holders, whether personal or corporate, can now use the BDO Bills Payment facility, via any of the above-mentioned options, to deposit and generate an ICTSI ACTS e-ADR. Non-BDO account holders can also process an e-ADR through BDO's Over-The-Counter option.

To help you navigate through the different BDO bills payment channels, we are sharing below user guide for your reference:

**To utilize these new products of BDO without any inconvenience, please ensure that your currently registered email address in ACTS is correct and updated.*

Please be advised as well that the New Digital Banking (NDB) or Personal Mobile Banking Bills Payment facility will be made available soon. Please stand by for further updates on this.

We continue to find ways to provide a more seamless and improved customer experience in your MICT transactions. We look forward to your support as well in taking advantage of these digital services so you can maximize your import deliveries, especially this holiday season.

Thank you,
