ADVISORY NO. 2021-1356

Dear Valued Customers,

We would like to update everyone that the **scheduled power shutdown tomorrow, January 17, may be moved earlier to 0600H-0800H**. Again, the purpose of the temporary shutdown is to conduct repairs to our main substation and operations at the main terminal may possibly be disrupted during the said period.

Please be guided accordingly and plan your bookings and terminal transactions ahead to avoid any inconveniences.

Many thanks,

MICT Management
