Official Manila International Container Terminal Partner Advisory

6/15/2021

ADVISORY NO. 2021-1454

Dear Valued Customers,

Please be reminded that **starting tomorrow, 16 June, container weight taken at the terminal that is above or below 1,500 kilograms from its Shippers Declared VGM will be imposed of a shut out penalty.** This will be applied to all containers gated in after 0000H tonight and only those with settled shut out fees will be included in the loading plan of their vessel.

This is in compliance to the recently released PPA Administrative Order 02-2021. You may click on link below to see a copy of the AO.

PPA AO 02 - 2021

For your easier monitoring, we have made available in the MICT Track and Trace portal the information on your container weight (weight taken at the terminal) and your Shippers Declared VGM (declared weight in the pre-advise). By tomorrow, this will also include information on the container's shut out fee application. You may access these mentioned data through: <https://www.mict.com.ph/track-and-trace>

Lastly, to provide you steps on how to pay the Shutout VGM fee in ACTS Online, please click on the link below:
