

MICT ADVISORY

Official Manila International Container Terminal Partner Advisory

3/16/2020

ADVISORY NO. 2020-1078

To Our Valued Clients:

Please see attached guidelines for the release of the Cargo Entry/Withdrawal Permit at MICT. For further reference, we have also attached PPA Memorandum Circular No. 09-2020.

This process ensures compliance with government initiatives for social distancing and prevention of mass gatherings. Having to operationalize the issuance of CEWP after 24 hours' notice required us to look for the best available option with the control function PPA is mandating for ease of entry through checkpoints. We urge the transacting public to make use of all MICT online options available to you.

Kindly share with your team for proper guidance.

Regards,

MICT Management
