ADVISORY NO. 2021-1578

Dear Valued Customers,

Please be reminded that today, 4 October 2021, begins the implementation of our TABS Slot Reservation & Activation System. As advised, we will **no longer consider as a valid booking** those that are arriving **more than 6 hours before** their appointment time effective today.

We are sharing once again the details of this system for everybody's guidance. Please see below:

Features of the System:

TABS Slot Reservation - Ability for a customer to Reserve TABS slots in 1-Stop up to 7 days in advance

TABS Slot Activation - A system-generated function that Activates the TABS Slot Reservation 6 hours before the booked TABS slot

**Please note that a TABS Slot Reservation is only considered valid when it has been activated. Trucks that arrive at the gates before the TABS slot is activated will be considered "without TABS appointment", shall NOT be served, and will be required to settle pass thru fee in ACTS before the truck will be allowed to gate out.*

Example:

- TABS Reservation/booking attempt was made on Monday 0900H in 1-Stop.
- Selected TABS slot is Wednesday Zone 12.
- TABS Reservation/Booking will be system-activated on Wednesday 0600H.

You may also click on this link for the sample scenario: [Sample Slot Reservation & Activation Scenario](#)

For details on handling of trucks without TABS appointment (i.e. arriving more than 6 hours from appointment), please click on this link: [Truck Handling at Gates for Trucks without TABS Booking](#)

**Please be reminded as well that, although booking will be activated 6 hours before appointment time, truck must still arrive within the early grace period. Early penalties will still apply for those trucks arriving more than 2 hours before their booked zone.*

**Note also that trucks that arrive without TABS booking (outside activation period) cannot replace their gatepass with another one that is within the activated period.*

In summary, NO ACTIVATED BOOKING, NO ENTRY/SERVING STARTING OCTOBER 4.

We look forward to our port user's cooperation and compliance. For any concerns, please email customercare@ictsi.com.

Many thanks,

MICT Management
