As Typhoon Ambo makes landfall, please be informed that MICT is fully operational. Vessel, yard, and gates operations will continue but we may experience intermittent stoppages depending on the rain and wind strength.

Kindly be assured that the safety of our customers, employees and your cargo is our top priority. We will continue to monitor the situation and should there be any changes to the port status, we will advise everyone immediately. We recommend to properly plan your transactions and bookings ahead to avoid potential disruptions during the typhoon.

Keep safe!
